

DREW FIGDOR
Portfolio Manager,
TIG Advisors LLC

“We look for wide spreads and complex mergers where our research can add value.”

GLOBAL MERGER ARBITRAGE FUND

The Lyxor/Tiedemann Arbitrage Strategy Fund invests in global securities that are, or may become, subject to a corporate action or event and will trade primarily in connection with announced transactions. Such an event might include a tender offer, merger, liquidation, recapitalization, spinoff, proxy contest, exchange offer, leveraged buyout or bankruptcy. The strategy seeks to maximize risk-adjusted returns by investing in complex deals with wide price spreads.

HIGH CONVICTION, NON-CORRELATED STRATEGY

The fund exhibits little to no correlation to broad asset classes: it takes both long and short positions and focuses on events of up to 30 days within the merger arbitrage process. Taking positions in announced and overlooked deals, the team can take larger position sizes on deals where the team has strong conviction. Only eight of the thousands of deals it has traded have approached the 2.5% limit at which it sells a position to stop losses.

EXPERIENCED TEAM, EXTENSIVE RESEARCH

Drew Figdor has been the portfolio manager since 1993, and oversees a collaborative investment process. The team leverages public information sources and a network of brokers to identify opportunities. They carefully evaluate a merger arbitrage trade’s spread and their ability to trade around the event prior to investment.

CUMULATIVE SIMULATED STRATEGY AND REAL FUND PERFORMANCE

Performance has been presented net of fees. **THE FIGURES RELATING TO SIMULATED PAST PERFORMANCE REFER OR RELATE TO PAST PERIODS AND ARE NOT A RELIABLE INDICATOR OF FUTURES RESULTS. THIS ALSO APPLIES TO HISTORICAL MARKET DATA.** It should not be assumed that the performance of the Fund in the future will be comparable or is indicative of the performance information presented here. Performance shown from January 1993 to February 2013 is hypothetical and based on an indicative simulation. All simulated performances are based on a leverage amount of 1.5 : 1 on the TIG Arbitrage Associates L.P (the “Arb Base Fund”). However, the additional financing costs of this increased leverage have not been deducted from the figures presented above. Additionally, increased leverage amounts would require the borrowing of additional securities to initiate ‘short’ positions. There is no guarantee that such additional securities would be available. While this data includes actual underlying performance returns of the Arb Base Fund, no fund or account, including the Arb Base Fund, was actually traded using this imputed leverage amount. Performance shown from March 2013 represents that of the Fund.

Performance has been presented net of fees. THE FIGURES RELATING TO PAST PERFORMANCE REFER OR RELATE TO PAST PERIODS AND ARE NOT A RELIABLE INDICATOR OF FUTURES RESULTS. THIS ALSO APPLIES TO HISTORICAL MARKET DATA. To the extent any performance shown herein is hypothetical, such performance results have many inherent limitations. There are frequently sharp differences between a hypothetical composite performance record and the actual record subsequently achieved and an individual investor may have experienced different results for the period in question had it been an investor during such period. HYPOTHETICAL PERFORMANCE RESULTS HAVE MANY INHERENT LIMITATIONS, SOME OF WHICH ARE DESCRIBED BELOW. NO REPRESENTATION IS BEING MADE THAT THE FUND WILL OR IS LIKELY TO ACHIEVE PROFITS OR LOSSES SIMILAR TO THE HYPOTHETICAL PERFORMANCE RESULTS PRESENTED HEREIN. IN FACT, THERE ARE FREQUENTLY SHARP DIFFERENCES BETWEEN HYPOTHETICAL PERFORMANCE RESULTS AND THE ACTUAL RESULTS SUBSEQUENTLY ACHIEVED BY ANY PARTICULAR TRADING PROGRAM. ONE OF THE LIMITATIONS OF HYPOTHETICAL PERFORMANCE RESULTS IS THAT AT THEY ARE GENERALLY PREPARED WITH THE BENEFIT OF HINDSIGHT. IN ADDITION, HYPOTHETICAL TRADING DOES NOT INVOLVE FINANCIAL RISK, AND NO HYPOTHETICAL TRADING RECORD CAN COMPLETELY ACCOUNT FOR THE IMPACT OF FINANCIAL RISK IN ACTUAL TRADING. FOR EXAMPLE, THE ABILITY TO WITHSTAND LOSSES OR TO ADHERE TO A PARTICULAR TRADING PROGRAM IN SPITE OF TRADING LOSSES ARE MATERIAL POINTS WHICH CAN ALSO ADVERSELY AFFECT ACTUAL TRADING RESULTS. THERE ARE NUMEROUS OTHER FACTORS RELATED TO THE MARKETS IN GENERAL OR TO THE IMPLEMENTATION OF ANY SPECIFIC TRADING PROGRAM WHICH CANNOT BE FULLY ACCOUNTED FOR IN THE PREPARATION OF HYPOTHETICAL PERFORMANCE RESULTS AND ALL OF WHICH CAN ADVERSELY AFFECT ACTUAL TRADING RESULTS.

GLOSSARY

Annualized Return – a rate of return for a given period that is less than one year, but that is computed as if the rate were for a full year. The formula is as follows assuming that M is the total number of months of returns which are being measured within the Program: $(1 + \text{Cumulative Returns})^{(12/M) - 1}$.

Annualized Volatility – the square root of 12 multiplied by the Standard Deviation.

Sharpe Ratio – this is a formula used to measure risk-adjusted performance. This is calculated by subtracting the risk-free rate (in this case, 3M T-bill) from the rate of return for the Program and dividing the result by the Standard Deviation.

INDICES

Indices are unmanaged and do not include fees, expenses or other transaction costs associated with the portfolio. Any comparison of performance with an index is subject to material limitations. References to an index do not imply that the portfolio is intended to achieve returns or volatility or results similar to such index.

Euribor - Euribor (Euro Interbank Offered Rate) is a daily reference rate, based on the averaged interest rates at which Eurozone banks offer to lend unsecured funds to other banks in the euro wholesale money market.

The underlying instrument(s) of this product is (Are) not authorised to be marketed in the country(ies) where such product is offered. The attention of investors is drawn to the fact that the offering of this product in this (these) country(ies) in no way constitutes an offer to subscribe to, or purchase, the underlying instrument(s) in such country(ies).

European Investors Any potential investment in any securities or financial instruments described herein may not be suitable for all investors. Any prospective investment will require you to represent that you are a “professional client”, as defined in the Markets in Financial Instruments Directive (MiFID). The securities and financial instruments described herein may not be available in all jurisdictions. Investments in or linked to hedge funds are highly speculative and may be adversely affected by the unregulated nature of hedge funds and the use of trading strategies and techniques. Also, hedge funds are typically less transparent in terms of information and pricing and have much higher fees than registered funds. Investors in hedge funds may not be afforded the same protections as “retail investors” as defined in the MiFID.

UK Investors The products described within this document are suitable for professional investors only and are not directed at retail clients. The document is issued by Lyxor AM. Lyxor AM is represented in the UK by Lyxor Asset Management UK LLP, which is authorized and regulated by the Financial Conduct Authority in the UK.

Swiss Investors This document and the information contained therein do not constitute an issue prospectus according to articles 652a and 1156 of the Swiss Code of Obligations (“CO”) or a listing prospectus according to the Listing Rules of the SIX Swiss Exchange. The product is authorized for the offer and distribution in Switzerland or from Switzerland pursuant to the Swiss Federal Act on Collective Investment Schemes (CISA). The Federal Banking Commission has authorized Société Générale, Zurich Branch (Talacker 50, Case postale 1928, 8021 Zürich), to act as Swiss Representative and Paying Agent of the Funds in Switzerland. The product’s documentation (prospectus, KIID, articles of association, annual and semi-annual reports) can be obtained free of charge at the Swiss representative’s office.

U.S. Investors Any potential investment in any securities or financial instruments described herein may not be suitable for all investors. Any prospective investment will require you to represent that you are an “accredited investor”, as defined in Regulation D under the U.S Securities Act of 1933, as amended, and a “qualified purchaser”, as defined in Section 2(a) (51) of the U.S Investment Company Act of 1940, as amended (the “’40 Act”). The securities and financial instruments described herein may not be available in all jurisdictions. Investments in or linked to hedge funds are highly speculative and may be adversely affected by the unregulated nature of hedge funds and the use of trading strategies and techniques that are typically prohibited for funds registered under the ‘40 Act. Also, hedge funds are typically less transparent in terms of information and pricing and have much higher fees than registered funds. Investors in hedge funds may not be afforded the same protections as investors in funds registered under the ‘40 Act including limitations on fees, controls over investment policies and reporting requirements.

Canadian Investors Any potential investment in any securities or financial instruments described herein may not be suitable for all investors. Any prospective investment will require you to represent that you are a “permitted client”, as defined in National Instrument 31-103 and an “accredited investor”, as defined in National Instrument 45-106. The securities and financial instruments described herein may not be available in all jurisdictions of Canada. Investment vehicles described herein will not be offered by prospectus in Canada and will not be subject to National Instrument 81-102 and National Instrument 81-106. In addition, investments in or linked to hedge funds are highly speculative and may be adversely affected by the unregulated nature of hedge funds and the use of trading strategies and techniques that are typically prohibited for prospectus offered funds. Also, hedge funds are typically less transparent in terms of information and pricing and have much higher fees than prospectus offered funds. Investors in hedge funds may not be afforded the same protections as investors in offered funds, including limitations on fees, controls over investment policies and reporting requirements.

Notice to Australian Investors This document is distributed in Australia by SG Securities (HK) Limited (“SGSHK”). Under ASIC Class Order [CO 03/1103] as mentioned in the ASIC Corporations (Repeal and Transitional) Instrument 2016/396, SGSHK is exempt from the requirement to hold an Australian financial services licence for the provision of its financial services to you. SGSHK is authorised and regulated by the Securities and Futures Commission of Hong Kong under the laws of Hong Kong which differ from Australian laws. This document is provided to you on the basis that you are a ‘wholesale client’ within the meaning of section 761G of the Corporations Act 2001 (Cth).

Notice to Investors in Asia-Pacific Region This document is prepared for and intended to be distributed in Asia-Pacific Region solely to sophisticated and professional clients. You should therefore be appropriately qualified as a professional, accredited, wholesale, expert or institutional investor (however defined in your local jurisdiction). It is distributed by licensed affiliates of Société Générale (“SG”) which is a French credit institution (bank) authorised by the Autorité de Contrôle Prudentiel (the French Prudential Control Authority) in accordance with applicable regulations and SG’s internal policy. You should be aware that local regulations may not allow this document to be distributed from your local SG licensed affiliate, but may allow it to be distributed from an offshore branch or affiliate under certain circumstances. If in any doubt, you should always determine which licensed affiliate is responsible for distributing this document to you by contacting SG. You should also be aware that financial products or services referred to may not be sold, bought or subscribed to if you do not qualify in your local jurisdiction. Always ensure that you contact and deal through appropriately licensed entities if you wish to purchase any such products or services.

No further disclosure, reproduction or reliance permitted: This document has been prepared solely for persons it has been distributed to directly by SG. Its contents may not be disclosed to, reproduced or used or relied upon by, any other person, or used for any other purpose.

For Investors Receiving This Document From SG Securities (HK) Limited This document is distributed to you by SG Securities (HK) Limited (CE: AAD941) (“SGSHK”) as an activity that is wholly incidental to its carrying out of a regulated activity for which it is already licenced. Details of SG’s licence can be provided upon request.

SGSHK has been appointed by Lyxor Asset Management and Lyxor International Asset Management (“Lyxor”) to promote the funds launched by Lyxor. Investors [and prospective investors] should note that a service fee may be paid by Lyxor to SGSHK for its services.

For Recipients Where This Document is Distributed by Société Générale, Hong Kong Branch This document is issued solely to “professional investors” within the meaning of the Securities and Futures Ordinance (Cap. 571) of Hong Kong and any rules made under that Ordinance. If this document is distributed to you by SG Securities (HK) Limited (CE: AAD941) (“SGSHK”), the details of SGSHK’s licence can be provided upon request.

For Recipients in Singapore This document may only be provided to institutional investors, as defined in Section 4A of the Securities and Futures Act. If you wish to discuss this document or effect transactions in any security discussed herein, you should do so with or through MAS licensed representatives of Société Générale, Singapore Branch.

For Documents Distributed in China from Offshore (as a Result of a Reverse Enquiry) This document has been prepared and distributed by Société Générale as a result of a reverse enquiry by you. Societe Generale (China) Limited has not been involved with the preparation or distribution of this document. Any products or services that may be mentioned in this document are subject to laws and regulations and regulator’s requirements in China and may not be able to be provided in China.

Notice for Documents Distributed in Taiwan This document is to present to you as a result of reverse enquiry and may only be distributed to “professional institutional investors” within the meaning provided in the applicable regulations in Taiwan. The product(s) or service(s), if any, mentioned in this document, have not been registered with or approved by Taiwan competent authorities and are not regulated by Taiwan laws and regulations.

Notice to Korean Investors This document is distributed by SG Securities (HK) Limited outside Korea and intended only for Korean financial institutions holding the dealing or brokerage business license under the Financial Investment and Capital Market Act of Korea and the Enforcement Decree thereof. SG Securities (HK) Limited is regulated by the Securities & Futures Commission under Hong Kong laws. The product mentioned in this document may not be eligible or suitable for all types of investors. This document is not intended for private customers.

For Korean Investors Receiving this document from SG Securities Korea This document is distributed by SG Securities Korea Co., Ltd. which is regulated by the Financial Services Commission and the Financial Supervisory Service under Korean laws. The product mentioned in this document may not be eligible or suitable for all types of investors. This document is not intended for private customers.
